

## PHEINOX™ Stainless Steel Screws

**Maximum Corrosion Protection for Harsh Environments** 

**RECESSED STAR DRIVE** 

**CEE THREAD™** 

W-CUTTM

ZIP-TIPTM

Zero Stripping, with 6 points of contact

Enlarges hole to reduce splitting

Low torque, smoother drive

No pre-drilling, faster penetration ÜberGrade™

**305 Grade Stainless Steel For Superior Strength and Corrosion Resistance** 

**Available in a Wide Range of Sizes and Types of GRK Fasteners** 

> **ESR-2442 Approved for Structural Applications (RSS)**

**ESR-3201 Approved for Structural Applications (R4 and Trim)** 

**For Use in Exterior Construction in Coastal** eas and Below Ground Applications and Use **Including Pools, Docks and Boardwalks** 

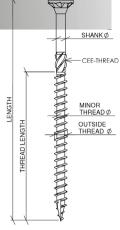

FASTENERS

## PHEINOX<sup>TM</sup> Stainless Steel ScrewsLimited Lifetime Warranty.

PHEINOX™ stainless steel screws are made from only the best grade of stainless steel wire, 305. The unique characteristics of the PHEINOX™ wire give our stainless steel screws unmatched performance, by maximizing both torque and increasing bending strength. GRK's patented R4™, RSS™, Cabinet™ Low Profile, Fin/Trim™ and RT Composite™ are available in PHEINOX™ stainless steel. Use PHEINOX™ screws from GRK™ for projects that should last a lifetime.

GRK™ recommends the use of its PHEINOX™ stainless steel fasteners in tropical wood, cedar wood, pool, hot tub, sauna and seaside applications in areas with large daily temperature variances. The ultimate finish for superior all weather corrosion protection.
