This warranty covers only genuine HydroShield GG's products in accordance with the HydroShield installation procedure.

We reserve the right to discontinue or change any design or color of any of the Products at any time without notice or liability. If, for any reason, the HydroShield GG type originally installed is no longer available at the time of a warranty claim, HydroShield may substitute another product determined by HydroShield to be of comparable quality and price.

There are no warranties on HydroShield GG products other than as set forth in this warranty. HydroShield is not liable for a breach of any other written or oral express warranties, such as those, if any, given to you by installers, sales persons, contractors, applicators, or others about HydroShield GG products. Due to normal weathering, replacement Product may differ in gloss or color from the Product originally installed. This limited product warranty is in lieu of all other warranties, express or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, and some states do not allow limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you. The obligation under this warranty will in no event exceed the product purchase price of the originally installed Product found to be defective. In the event that we choose to replace the gutter guard, HydroShield will only be responsible for providing material and not the cost of labor to install or shipping costs.

HydroShield GG is designed to be self-cleaning in most cases with wind conditions & rainfall alone to sufficiently keep it clean, but there may be some instances where cleaning/maintenance will be required by the homeowner.
