

Drill Bits, Power Bits, Power Nut Setters and Screws **ASSEMBLY TOOLS & FASTENERS**

TRADESMAN QUALITY

Midwest Tool & Cutlery Company proudly includes the highest quality made in USA bits and drivers in its Midwest Snips® product offering. These products offer innovative design features that add quality and increase productivity.

Midwest Snips® Fasteners are conveniently packaged in bags, tubs, or pails depending upon your needs and are stocked unpainted and in white. Special order color match fasteners are also available. Fasteners are painted and packaged in the USA.
