

ALCM POWER CLEAN (A52029)

Formulated to remove the toughest asphalt, tar, and grease residue
Does not contain petroleum solvents

Description: ALCM Power Clean is a fast-acting concentrated cleaner/degreaser based on naturally occurring orange limonene solvents. It uses the all-natural cleaning power of orange oils to cut through the toughest grime. It can be used as directed to safely clean tools, machinery, grills, engines, graffiti, concrete, ceramic tiles, fiber glass, clothing, sinks, carpets, metal and more. ALCM Power Clean is biodegradable, water soluble and does not contain any petroleum distillates. Power Clean leaves no harsh chemical odors, just the pleasant scent of oranges.

NOTE: Although Power Clean is all-natural, it is still a solvent so use of gloves and eye protection are suggested.

Primary Uses: In its concentrated form, Power Clean can be used to remove asphalt, tar and heavy grease residue on a wide variety of surfaces including metal, concrete, cements, stucco, siding, asphalt handling equipment and more. Can also be used to remove ink, adhesives, greases, fats and oils.

Additional Uses:

Heavy Industrial Cleaning: Dilute 6 to 8 oz. of concentrate per gallon of warm water. Spray, mop, or sponge onto surface and allow cleaner to remain on surface for at least 5 minutes. Brush or scrub surface and rinse with clean water.

General Cleaning: Dilute 2 to 4 oz. of concentrate per gallon of warm water. Sponge or spray onto surface and allow to stand for a couple of minutes. Wipe clean with a sponge or cloth.

Carpets, Rugs, Fabrics, or Upholstery: Dilute 6 to 8 oz. of concentrate per gallon of warm water. Spray onto affected area. Work to gently free grease, oil, tar, etc. and blot dry with a clean cloth.

**NOTE: TEST PRODUCT ON SUBSTRATE BEFORE USING,
ESPECIALLY IF CONCENTRATE IS NOT DILUTED!**

Physical Properties:

PROPERTY	VALUE
Physical State	Liquid
Odor	Orange
Appearance	Clear, light yellow
Boiling Point	212 °F
Flash Point	115 °F
Water Solubility	Complete
pH	7.0

Caution! EYE IRRITANT, MAY CAUSE SKIN IRRITATION WITH PROLONGED CONTACT. Avoid contact with skin, eyes, and clothing. Wear protective gloves and eyewear when using this product. Avoid breathing in vapors or mists. Use in well ventilated area. Do not ingest and keep out of reach of children. For professional use only, read and understand the Safety Data Sheet (SDS) before using.

COMBUSTIBLE LIQUID: Keep away from heat, spark, open flames or other sources of ignition. Use only with adequate ventilation. Keep container upright to prevent leakage. Close container after each use. In case of spillage, absorb and dispose of in accordance with local applicable regulations.

First Aid:

Eye Contact: Flush with water for at least 15 minutes. If irritation persists, call a physician.

Skin Contact: Wash thoroughly with soap and water. If irritation persists, call a physician.

Inhalation: Remove to fresh air. If not breathing, give artificial respiration and seek medical attention immediately.

Ingestion: If swallowed, immediately drink a large quantity of water. Do not induce vomiting. Seek medical advice immediately and show this container or label.

Packaging: Available in 1 quart bottles with trigger spray, inquire for bulk purchases.

YOU BET YOUR ASPHALT WILL BE CLEANED!
