

## TranzSporter Ladder Hoists - Motor Comparisons

Lifan Gas Engine	Honda Gas Engine	Leeson Electric Motor
		
<ul style="list-style-type: none"> <li>• Low Oil Shut Down System - Prevents damage to engine due to insufficient oil in engine</li> <li>• Forced Splash Lubrication System</li> <li>• Electronic Transistorized Ignition</li> <li>• Fuel Shut Off Valve - Protects engine during transportation</li> <li>• Auto Decompression - For easier pull starting</li> <li>• Overhead Valve - For longer engine life</li> <li>• Industrial grade components</li> <li>• Fuel efficient for longer run times</li> <li>• CARB and EPA certified</li> </ul>	<ul style="list-style-type: none"> <li>• Fuel efficient, high output operation - Overhead valve, precision camshaft design offers precise valve timing and optimal valve overlap</li> <li>• Smooth performance - Precision engineered components result in lower vibration</li> <li>• Exceptionally quiet - Large capacity multi-chamber exhaust system</li> <li>• Proven reliability - Low oil shutdown, cast iron cylinder sleeve, and high quality materials, fit and finish</li> <li>• CARB and EPA certified</li> </ul>	<ul style="list-style-type: none"> <li>• 12.8 amps, 115 Volt</li> <li>• High Torque</li> <li>• Leeson Electric Motor</li> <li>• Comes with GFCI ground-fault circuit interrupter for safer operation</li> <li>• Cord is 36in. (3ft.) long</li> </ul>
